VIDEO TO DVD

Copy to DVD Service from Video Tape

This is a direct copy of up to 120 min. from VHS, 8mm Video or Mini DV video tape. This straight copy has no chapters, menus, or editing, but does include a DVD case With a title printed on the DVD. Turnaround is 3-5 days. For more than two source tapes per DVD, add \$5.00 for each additional tape.

| | |
|----------------------|----------------|
| Basic DVD | \$34.95 |
| Duplicate DVD | \$15.00 |

DVD SLIDE SHOW

A custom DVD Slide Show for TV

We make DVD Slide Shows from your digital camera files, or from scanned negatives, slides, & prints.

You can provide music from your music CDs or downloaded MP3's. You choose duration of images (5 seconds average) & transitions between each image (2 seconds average). Continuous loop of images optional.

| | |
|---------------------------------------|------------------|
| DVD Slide Show with 300 images | \$34.95 |
| Additional images | 0.10 each |
| Movie clips | 0.50 each |
| Music (you must provide) | N/C |
